Re: State of California – Public Utilities Commission
General Order 112-F Gas Inspection of PG&E's Southern Transmission Area

Dear Mr. Lee:

The Safety and Enforcement Division (SED) of the CPUC conducted a General Order 112-F inspection of PG&E's Southern Transmission Area from October 21 through November 1, 2019. On December 26, 2019, the SED submitted their inspection report, identifying violations and findings. Attached is PG&E's response to the CPUC inspection report.

Please contact Glen Allen at (925) 278-3462 or gmad@pge.com for any questions you may have regarding this response.

Sincerely,

/S/
Susie Richmond
